

# Monitors, Traps & Glueboards

## DETECTOR TRAPS

- » Unique design keeps 2 edges flush to wall and floor
- » Highly effective food grade attractant
- » Easily divided into 3 small traps
- » Use for monitoring crawling insects
- » Promotes "Green" pest control

ORDER#	MODEL#	DESCRIPTION
14001062	DET-30-L	30 pack
14001063	DET-600-L	600 pack

Private labeling available. Contact B&G for more information.

## INDIAN MEAL MOTH TRAPS

An economical but highly effective alternative to other traps. The SP Locator is 1/4 the price of the competition.
