

Acid, Etching & Staining Sprayer

CONCRETE ACID, ETCHING AND STAINING SPRAYER

Heavy-duty polyethylene tank Acid, Etching and Staining Sprayer at an affordable price.

- » Funnel top for environmentally-friendly filling
- » Fully repairable pump design
- » Braided chemical resistant hose for extra strength
- » Viton® seals and gaskets
- » Poly resin comfort grip handle with lock on/off feature
- » 18" angled poly extension
- » Includes pin-to-cone tip and fan spray tip
- » Stainless steel pump rod
- » 5 year warranty on tank
- » Heavy-duty pump rod
- » Designed with an internal pressure release valve that will not allow pressure to exceed 55 psi. An external pressure relief valve, which is vulnerable to breakage, is not needed
- » Valve locks on for constant spraying
- » Valve locks off to prevent accidental discharge
- » Transparent tank enables you to see liquid level
- » No metal parts come into contact with acid
