

Chemical Series Sprayers

CHEMICAL SERIES SPRAYERS

Poly molded, heavy-duty thick wall polyethylene tank design.

- » Funnel top for environmentally-friendly filling
- » Braided reinforced chemical resistant hose for extra strength
- » Celcon fan spray tip
- » Viton® parts for excellent chemical resistance
- » All brass XR Gun
- » Heavy-duty metal pump rod
- » Designed with an internal pressure release valve that will not allow pressure to exceed 55 psi. An external pressure relief valve, which is vulnerable to breakage, is not needed
- » Additional Celcon tips with variable output are available
- » Adjustable pin to cone tip available
